Kitty Rice Binkley
June 17, 1941 - May 6, 2024

Kitty Rice Binkley, 82, passed away peacefully at home on May 6, 2024, after bravely battling cancer.

She was preceded in death by her husband, Roy Binkley, who she lost on August 7, 2021, after 56 years of marriage. She had also lost her brother, Stanley Rice and sister, Trudy Waits, all of whom she missed terribly.

Kitty was a devoted and selfless wife, mother and grandmother, and they all cherished her for her love and nurturing spirit. Described as fun, trustworthy, and practical, Kitty's selfless nature touched many lives in the Nashville community. Her legacy of love and service will be remembered by all who knew her.

Kitty loved her family and friends. We know she would have been touched by your presence, and the family appreciates your caring support by coming.
